

## Hot Tip #1

### Eliminate 411 Charges

By using a web-based or alternative directory assistance service, you can completely eliminate directory assistance charges. Here are some popular web-based directory assistance services:

- o superpages.com
- o people.yahoo.com
- o switchboard.com
- o 411.com
- o phonenumber.com
- o Inter800.com
- o yellowpages.com
- o bigbook.com
- o yp.yahoo.com
- o worldpages.com

For times when you don't have access to the web, there are a couple of numbers that you can call that offer free directory assistance.

The numbers below are great to program into your cell phone too!

**1-800-YellowPages (935-5697)** or **1-800-Goog411** (sponsored by Google)

When you dial 411, calling the number you just received from 411 direct instead of using the express call completion saves you from an extra \$1.56 charge.

ITS realizes that these days all businesses are looking for ways to save money any way they can. In response to this, ITS has put together this Hot Tips weekly mailing with the goal of providing our customers tips on how to save money or improve efficiencies in their business. For the next month, you can look forward to a new Hot Tip in your mailbox every week.

At ITS, we truly value our customers and are committed to helping you with your communications and networking solutions by being your telemanagement expert so that you can focus on what you do best and not worry about technology getting in the way. If you have ideas you would like us to explore further or would just like to send us feedback, please send an email to [HotTips@its-omni.com](mailto:HotTips@its-omni.com).
