

Your loyalty has
it's benefits.

Let ITS give
you a hand.

Introducing...

MOVE PASS

LET US SIMPLIFY YOUR MOVE!

ITS has developed the Move Pass program as an additional benefit to thank you, our existing client for being a loyal customer. Move Pass offers existing clients priority service when you move or establish a new location with ITS services.

Move Pass Benefits

- Coordinate the move or establishment of new telecommunication services
- Provide move checklist with standard lead times
- Provide an assessment of your wiring and cabling needs
- Spread out the payment of set-up fees over a three-month period
- 20% off set-up fees for all new lines and features
- 20% off telecommunication service calls required for move
- 20% off Network Service calls required for the move
